

### Manuscript Submission

The full papers including tables, graphs, figures etc. should be submitted to: **jems.editors@gmail.com** and **info@jems.science-line.com**.

Also you can submit the manuscript via [online manuscript submission portal](#) . Please embed all figures and tables in the manuscript to become one single file for submission. Once submission is complete, the system will generate a manuscript ID and password sent to author's contact email.

**Supplementary information:** The online submission form allows supplementary information to be submitted together with the main manuscript file and covering letter. If you have more than one supplementary files, you can submit the extra ones by email after the initial submission in the [manuscript submission page](#) or via emails. Author guidelines are specific for each journal, visit [JEMS instructions](#)

Our [template \(.doc\)](#) can assist you by modifying your page layout, text formatting, headings, title page, image placement, and citations/references such that they agree with the guidelines of journal. If you believe your work is fully edited and prepared per journal style, you can prepare your manuscript according to [JEMS-template](#) before submission.

**Proofs and Reprints:** The authors download their Published papers free of cost. 

**Originality of Manuscripts:** The Editorial Board is not responsible for the statements made or opinions expressed by the authors who should ensure that all submitted manuscripts have resulted from original work.

**Copyright Policy:** Submission of a manuscript implies that the work has not been submitted, accepted or published elsewhere and their Institutes representative is aware of this submission. Acceptance of a manuscript will automatically transfer all copyrights of the manuscript to store, publish, distribute, access, and make commercial use of the article.

**Privacy Statement:** The names and email addresses entered in this journal site will be used exclusively for the stated purposes of this journal and will not be made available for any other purpose or to any other party.

**Online submission of manuscripts** is encouraged, provided that the text, tables, and figures, are included in a single MS Word file, in tandem.

**Note:** Papers will be Accepted, if the Reserach Articles are according to the Journals' [Ai m and Scope](#) and [Instructions to authors](#)

**Online submitted manuscripts will be considered for a rapid single-blind peer-review process.**
